GOOD LUCK TO OUR YEAR 12 STUDENTS

Our HSC students will begin their exams Tuesday 9 November. The exam timetable is spread over four weeks and will conclude Friday 3 December. We know the students have worked very hard to prepare and this will place them well for the demands of the exams. We would like to wish our HSC students all the best for their exams and their future endeavours.

Over the last few weeks many of the Year 12 students have received acceptance into traineeships and offers of apprenticeships for 2022. We would like to congratulate these students for their hard work and determination.

Year 8 Students Meet Dr Karl

Mr Cliff's year 8 science class had a question and answer session with Dr Karl via Zoom on Wednesday 13 October 2021.

Students were able to ask him questions about anything they wanted. Some of the questions included "Why do we dream?" and "What year do you think we will arrive on Mars?".

The Year 8 Science extension class really enjoyed the experience and were astounded by Dr Karl's wealth of knowledge.

Just a reminder...

Student payments can now only be made online through our Make a Payment Tab on the Website.

Students Are Enjoying Being Back To Face to Face Learning

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Build friendships

Develop life skills

Minutes lost = days lost per year

A couple of minutes here and there doesn't seem like much, but...

When your child misses just... they miss days per year

Patterns of lateness can have a serious impact on your child's education.
